

EDISON GIRLS LACROSSE BOOSTER CLUB

We would like to welcome you to the 2023-2024 Edison High School Girls Lacrosse program!

Our Story

Started in just 2018, Edison Girls Lacrosse has quickly grown to become one of the largest programs in the area. Since then, the lacrosse program has achieved back to back Sunset League championships (21-22, 22-23) while continuing to provide a safe, inclusive and competitive environment for female athletes.

Our Mission

The lacrosse program strives to create female athletes ready for life by fostering resilience, leadership skills, and a strong sense of self. Athletes are empowered to excel not only in sports but also as confident and capable women prepared to tackle the challenges of the world with determination and grace.

Fundraising Goals

High school sports are costly. Uniforms, equipment, travel, and other expenses quickly add up. Fundraising can help offset costs to allow more students the opportunity to successfully participate in high school sports.

Why Participate

Your involvement and commitment to the girls lacrosse team is what allows these programs to develop and thrive. Here are just some of the potential impacts your contribution will have:

- Positive impact on youth, the school and on the community.
- Be a part of something bigger.
- Healthier, happier, and more engaged young women.
- Tax deductible contributions.
